

Construction Update

Millberry Union (MU) Elevator Modernization In Progress

The elevators in MU are being modernized as part of a five-year program to renew elevators throughout UCSF. In addition to elevators, the fire-life safety systems serving the elevators will also be upgraded. **The contractor will only work on one elevator at a time, while the other elevators remain in operation.**

Phase 1 - MU Garage

Elevators near the retail shops and at the north end of the MU, serving the parking garage.

- Elevator #5 (serves floors P1 to B1): ongoing, scheduled to complete approx. December 2019
- Elevator #6 (serves floors P1 to B1): approx. January 2020 – March 2020
- Elevator #3 (serves floors P7 to 1st): approx. April 2020 - June 2020

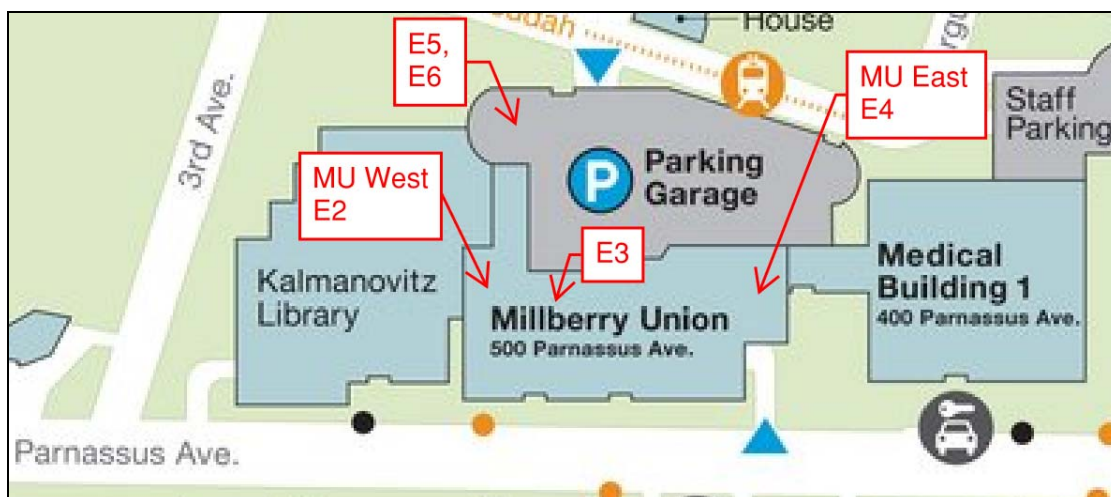

During Elevator #5 and #6 modernization, there is reduced access to Parking Levels P2 and P3. Additional Elevators to Parnassus Ave and Irving St are available in ACC, which is accessible on parking levels P1 and P4 thru P8.

Phase 2 - MU West and East Towers

- Elevator #2 (serves B1 to 4th of the West Tower): approx. July 2020 – December 2020
- Elevator #4 (serves P8 to 5th of the East Tower): approx. January 2021 – June 2021

We apologize for any inconveniences and thank you for your patience with this important modernization project.

All Dates are subject to change.
